

AAROH ENTERPRISE

Specialist in

- Calcium Chloride (CaCl_2) Plant Design & Engineering
- MEE (Multiple Effect Evaporator) Plant Operations & Maintenance
- Granulation & Spray Dryer Projects and Operations
- Skilled / Semi-Skilled / Unskilled Manpower Supply
- Chemical Trading and Supply
- Turnkey Project Execution

About Company

Aarohi Enterprise, under the guidance of **Mr. A. K. Singh, a qualified Chemical Engineer** with over **15 years of professional experience**, has emerged as a reliable name in the industrial and chemical manufacturing services sector. His deep industry knowledge and leadership have been instrumental in defining the company's direction and delivering high-performance, customized solutions across multiple sectors.

Our primary offerings include **Calcium Chloride Plant Design & Engineering, MEE Plant Operations & Maintenance, Granulation & Spray Dryer Project Execution & Operations, and Skilled, Semi-Skilled, and Unskilled Manpower Supply**. We also specialize in the **supply of premium-grade chemicals, including Calcium Chloride (CaCl_2), Magnesium Chloride, Polyaluminium Chloride (PAC), and Potassium Fluoride**.

Our Core Specializations:

- Calcium Chloride Plant Design & Engineering
- Granulation & Spray Dryer Project Execution and Operations
- Installation and commissioning of new plant equipment
- MEE (Multiple Effect Evaporator) Plant Operations & Maintenance
- Skilled / Semi-Skilled / Unskilled Manpower Supply
- Chemical Trading & Supply

Sourcing and supplying high-quality industrial chemicals such as:

- Calcium Chloride (CaCl_2)
- Magnesium Chloride
- Polyaluminium Chloride (PAC)
- Potassium Fluoride

A K Singh CEO Profile

AAROHI ENTERPRISE, founded by the visionary A. K. Singh in 2019, is a beacon of innovation and excellence in the chemical industry. With a distinguished B.E. in Chemical Engineering and 14 years of stellar experience in CaCl_2 , KF, PAC, MEE projects, commissioning, and operations, Mr. Singh has propelled the company to new heights.

Driven by a passion for excellence and a commitment to sustainability, Mr. Singh envisions AAROHI ENTERPRISE as a leader in providing cutting-edge solutions. His mission is to revolutionize the industry, setting new standards of efficiency and quality. Under his leadership, the company is dedicated to pushing the boundaries of what's possible, delivering unparalleled value to clients, and contributing to a greener future.

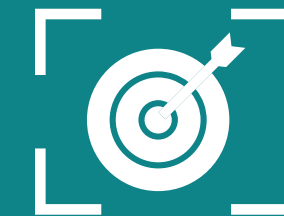

AAROHI ENTERPRISE is not just a company; it is a manifestation of Mr. Singh's unwavering dedication to innovation, quality, and client satisfaction. Join us on this journey of excellence and be a part of our success story.

Vision & Mission

Company Vision

To be a leading provider of innovative and reliable industrial and chemical engineering solutions, setting new standards in plant design, operations, and chemical trading while fostering long-term partnerships based on trust, performance, and customer satisfaction.

Company Mission

- To deliver high-quality, efficient, and sustainable solutions in Calcium Chloride Plant Design, Granulation, Spray Dryer Projects, and MEE Plant Operations.
- To maintain excellence in manpower supply across skilled, semi-skilled, and unskilled categories.
- To offer superior-grade chemical products like CaCl_2 , Magnesium Chloride, Polyaluminium Chloride, and Potassium Fluoride.
- To continually upgrade our technical capabilities and knowledge, ensuring safety, innovation, and compliance in every project we undertake.
- To grow under the guidance of Mr. A. K. Singh by upholding integrity, professionalism, and customer-centric values in all aspects of our business.

Our Services

- ✓ **Calcium Chloride Plant Design & Engineering and Project Commissioning / Technology Supply**
- ✓ **Granulation & Spray Dryer Project Execution and Operations**
- ✓ **MEE Plant Operations**
- ✓ **Erection & Fabrication Works**
- ✓ **Skilled / Semi-Skilled / Unskilled Manpower Supply**
